## <u>Guardian</u>

**High security turnstiles** 

# The high security system for access control in high traffic flow situations

- Guardian is the perfect solution if you need to secure large entrances, even if not manned, with high pedestrian flows.
- Also designed for outdoor use, Guardian can be used in airports, ports, large companies, underground systems, railway stations and stadiums.
- Guardian is the high performance full height turnstile, perfect for environments where security is an essential requirement.
- Its sturdy structure and pleasing design on one hand make it a powerful deterrent for crime and on the other offer total user protection.
- Durability and reliability are guaranteed, even outdoors, thanks to the galvanised steel body and the special epoxy paint, which makes it resistant even in areas subject to corrosive agents.

	High security mechanical turnstile		
001 <b>PSHPS01</b>	Clockwise "FULL HEIGHT" one-way mechanical turnstile, galvanised, painted steel body with hydraulic damper.		Y III
	High security electromechanical turnstiles		No.
001 <b>PSGS3</b>	Single "FULL HEIGHT" two-way electromechanical turnstile with 3 sectors at 120°, galvanised, painted steel body, complete with control panel and hydraulic damper. High luminosity LED indicators, with multi-purpose display, courtesy light.		
001 <b>PSGD3</b>	Double "FULL HEIGHT" two-way electromechanical turnstile with 3 sectors at 120°, galvanised, painted steel body, complete with control panel and hydraulic damper. High luminosity LED indicators, with multi-purpose display, courtesy light.		TANK I A
001 <b>PSGS4</b>	Single "FULL HEIGHT" two-way electromechanical turnstile with 4 sectors at 90°, galvanised, painted steel body, complete with control panel and hydraulic damper. High luminosity LED indicators, with multi-purpose display, courtesy light.		MAN
001 <b>PSGD4</b>	Double "FULL HEIGHT" two-way electromechanical turnstile with 4 sectors at 90°, galvanised, painted steel body, complete with control panel and hydraulic damper. High luminosity LED indicators, with multi-purpose display, courtesy light.		
	Customisation		
119 <b>COLOR16</b>	Supplement for customising the paint from the RAL range.		

N.B. 001PSGS3 - 001PSGD3 - 001PSGS4 - 001PSGD4 - Painted RAL 7035 with a AISI 304 steel central rotor. At the request of the customer, all high security turnstiles can feature customised paint from the RAL range (delivery times are 15 days longer in this case).
