

CONTROL BOARDS

FOR 1 OPERATOR

ABJ7080 J-CRX

BC07080 J-CRX only pc board

- automatic travel and operating time learning system
- automatic closure
- electronic adjustment of the force
- radio command - step by step (open - stop - close)
- single command - step by step (open - stop - close)
- built-in radio receiver 433 MHz for MOON and MOON CLONE
- **safety strip self-test as required by EN12453**

Suitable for these 230V operators:
JOLLY - BOY

ABJ7080: It is supplied with a plastic container IP54

Connectable to photocells - blinker - key selector

BC07068 K 2007 CRX only pc board

BC07069 K 2007 only pc board

- automatic travel and operating time learning system with electric limit switches
- automatic closure
- pre-blinking
- electronic adjustment of the force
- radio command - step by step (open - stop - close) or **automatic (open - close)**
- single command - step by step (open - stop - close) or **automatic (open - close)**
- built-in radio receiver 433 MHz for MOON and MOON CLONE
- **adjustable low speed** in approaching
- pedestrian opening
- automatic closing from the pedestrian
- **safety strip self-test as required by EN12453**
- **built-in motor heater**

Suitable for these 230V operators:
K5 - K500 - K800 - K800 FAST - K1400 - K2200

Connectable to photocells - safety strips - blinker - key selector

ABS1001 S1

BC07096 S1 only pc board

- automatic travel and operating time learning system
- automatic closure
- pre-blinking
- gradual operation start *
- **adjustable low speed** in approaching *
- electronic brake *
- electronic adjustment of the force *
- radio command - step by step (open - stop - close)
- single command - step by step (open - stop - close)
- directional open - close commands (with timer control)
- stop command
- piloting of the optical encoder on PLUS version
- pedestrian opening
- automatic closing from the pedestrian
- **safety strip self-test as required by EN12453**
- **built-in motor heater**

New

Suitable for these operators:
K800 PLUS - K1400 PLUS - K2200 PLUS - SUPER 2200 - SUPER 3600

ABS1001: it is supplied with a plastic container IP55 and transformer.

Connectable to encoder to detect obstacle - photocells - safety strips - blinker - key selector - buzzer

* Not for S1/R2 and S1/R4
